

Reading for All (Entitlement for All)

Aims to help raise achievement for all children - particularly those with special educational needs - by helping teachers to coordinate the process of inclusion and to meet the requirements of the Literacy Hour. The text should enable teachers to: plan a differentiated reading curriculum for the benefit of all pupils; integrate IEP targets in the normal routine of the classroom; assess reading progress more effectively; make the most of the Literacy Hour; and develop team approaches to pupils reading development through the coordinated use of learning support staff and parents.
