

A Wanderers Notes, Vol. 2 of 2 (Classic Reprint)

Excerpt from A Wanderers Notes, Vol. 2 of 2
Early in the month of June, 1874, one Samuel Bergmann and five other representatives of the Jewish community of Bakau, an important provincial town in Moldavia, addressed a letter to Sir Francis A. Goldsmid, setting forth the heavy losses caused to their co-religion-aries by the oppressive effect of the so-called Liquor Law, passed by the Roumanian Chambers during the previous winter, and enforced with extreme rigour by Prince Charless Government, then presided over by M. Lascar Catargi. This letter, accusing the Roumanian authorities of sanctioning a systematic and cruel persecution of his Highnesss Israelitish subjects, was transmitted by its recipient to the Editor of The Daily Telegraph, and obtained publicity in the columns of that journal. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
