

# The Effective Implementation of Education Policy: A case study in Lugari District, Western Province, Kenya

Globally, education as an industry is facing rapid conceptual and technological changes; new ideologies and vast amounts of new knowledge in the industry is constantly being produced using the latest innovations. Dr Waudo book tackles the changing educational environment that has no doubt had profound implications on learning, training and management systems. She takes the reader to understand that the managers of education in any country should possess knowledge, skills and attitudes to articulate effectively new policy guidelines for implementing education programmes such as Free Primary Education in Kenya. Dr Waudo as a Senior Assistant Director-Research in the Ministry of Higher Education Science and Technology know that the management of educational programmes using the stipulated policy guidelines would enhance effective implementation in the ever changing environment. This book is highly recommended for the policy makers in any government. The students and researchers will also benefit with this book
