

# Connecting in Your Classroom: 18 Teachers Tell How They Foster the Relationships That Lead to Student Success

The principles of TEACHtrust, engagement, asset-building, care, and hard work are the basis of this inspirational guide to improving teacher-student relationships. Eighteen teachers from across the country share their secrets of how to encourage responsibility, empathy, and hard work qualities that lead to academic and personal achievement in their everyday interactions with students. Rooted in the Developmental Assets approach, these narratives seek to foster the concrete, commonsensical, and positive experiences and qualities essential to raising successful young people.
