

Dos editores de Barcelona por America Latina / Two editors from Barcelona in Latin America (Spanish Edition)

Dos jóvenes editores descubren el mercado del libro en America Latina a principios del siglo xx. Su epistolario es un documento unico sobre el mundo de la libreria y sus practicas comerciales, los gustos de los lectores, la falta de interes de los gobernantes, los obstaculos de la geografia y de la administracion. Ademas de los multiples datos sobre libreros y transportistas, banqueros e intelectuales, esta correspondencia muestra tambien sus intentos de introducir nuevos metodos publicitarios para que el publico se interese por los libros y como una editorial puede ser el intermediario entre Europa y las republicas americanas.
