

## The Wedding Planner: Record all your information for easy reference in this essential step-by-step guide suitable for all

This book offers a practical step-by-step guide to ensuring your wedding day is perfect. It highlights all the practical considerations you will need to take into account when planning for the big day. Here are just some of the useful features you will find in this book: Task Lists: These will assist you with your research and allow you to record all relevant information, keeping it all in one easy to use reference book. Searching for the right Supplier: This section focuses on what questions you should be asking potential suppliers (venue, caterer, entertainment, etc). Wedding Diary: Essential to ensuring you and all those who are closely involved have one understanding of how the wedding period will proceed. TOP TIPS: These can be found throughout the book and will further enhance the organisation and creativity of your planning. Quick Check List: This will allow you to see an overview of your planning.
