

Leadership by Design

This is a fantastic book that brings out the heart of leadership as God determined it to be. The influential attributes of every kind of leadership is brought under one roof of only three spheres which are culture, religion and christianity. The problems and solutions to every level of leadership are given in the book. You will be surprised to find out that leadership starts as early as toddler age. Coached leadership and independent leadership are exciting to explore here. Love, justice , peace and truth being pillars of any great leadership, linked only with God heart of leadership.
