

Better Than BookSmart: Undergraduate Edition

There are tons of opportunities in college to help students stand apart, but which ones should you choose? How will those opportunities guide you in the right direction? And how can you be sure to identify opportunities as they present themselves? These are great tips and personal experiences from recent graduates themselves! These are the questions on every success-minded college students mind. Better Than BookSmart is a resource designed to guide you through the maze. This conversational, straightforward book includes tips, techniques, and interviews with successful students. Better Than BookSmart helps identify, create, and take advantage of a multitude of opportunities that can help students stand above the crowd and be seen as great employment prospects. A. R. Padhani, recent college graduate and author of Better Than BookSmart, has been employed in areas of transportation, aeronautics, and space systems. He has experience with engineering, supply chain risk, and production operations. Taking advantage of opportunities and creating a strong network has been paramount in his success. He has put together his experiences and those of his peers all over the country to help other students find the same success. Better Than BookSmart is the perfect handbook for students who want more from their college experience.
