

# Safe and Peaceful Schools: Addressing Conflict and Eliminating Violence

Zero tolerance provides zero learning. We know that bullying and violence severely impact children's ability to learn. If you are serious about creating a safe school climate, this book will show you how. Written by counseling experts, this volume's variety of research-based techniques help educators and students develop conflict resolution skills that reduce the need for disciplinary action. Each chapter addresses a mode of practice for constructing peaceful interactions, including: Peer mediation, Narrative counseling, Circle conversations, Undercover anti-bullying teams, Facing up to violence groups, Restorative conferences.
