

The Highlands and Islands of Scotland (Classic Reprint)

Excerpt from The Highlands and Islands of Scotland In Bonnie Scotland was promised a further volume that should be devoted to the sterner and wilder aspects of Caledonia. That book dealt with the main body of Highlands and Lowlands, more familiar to the gentle tourist for whose patronage it was a candidate. This one, whose title might have been qualified as West Highlands, deals with the less visited side that is still Highland indeed, both in ruder natural features and in a life holding out longer against the trimming and taming of Sassenach intrusions. The author, as before, has tried to weave a pattern of entertaining stripes and checks upon a groundwork of information. all making a darker-hued tartan than is worn in the centre of Bonnie Scotland. Another metaphor would put it that he has prepared a brisk, perhaps frothy, but, it is hoped, not unpalatable, brew of heather-ale, which contains in solution more solid ingredients than may be manifest to every reader. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
