

Harnessing The Dynamics of Public Education: Preparing for a Return to Greatness

Harnessing the Dynamics of Public Education: Preparing for a Return to Greatness is a comprehensive look at the American public education system. Building on the current system, the book takes on the War on Education in an effort to rethink, redesign and develop a new state-of-the-art system of learning that will regain international competitiveness and be the best choice for parents in a growing system of choice. The authors provide critical analysis of the current system while also offering specific solutions and hope for one of the greatest institutions in America..as it Returns to Greatness!
