

How to Homeschool

Do you want to homeschool your children, but don't quite know where to begin? Are you currently homeschooling but it's not working the way you think it should? Do your children have trouble in school? Are they bored, restless or suffering from peer pressure? Are you paying thousands of dollars a year for a curriculum that does not work? Homeschooling does not have to be difficult or expensive. Your child has everything he needs to learn already built in. You just need to discover how to tap into it and then get out of the way! This book was written for all parents who desire to homeschool their children but are confused, scared or intimidated by the task.
