

A Brit Different: A Guide to the Eccentric Events and Curious Contests of Britain

A Brit Different is a celebration of the weird and wonderful contests that help to make Britain great. The book covers 50 of our most eccentric events: from the relatively mild World Poo Sticks Championships, to the downright extreme World Stinging Nettle Eating Championships. Each contest gets an in-depth review, plus all the essential practical info about who takes part, where its held, how much it costs and whether theres a prize. Beautifully illustrated with hundreds of inspirational colour photographs throughout, this is as good to look at as it is a celebration of our culture.
