

The Complete Book of Amulets & Talismans (Llewellyns Sourcebook)

The Pentagram, Star of David, Crucifix, rabbits foot, or four-leaf clover . . . they all provide feelings of comfort and protection, intended to attract good while dispelling evil. Found throughout history and in nearly every culture and religion, amulets and talismans can be made and used by anyone. Spanning the world through the diverse cultures of Sumeria, Babylonia, Greece, Italy, India, Western Europe, and North America, this book presents the history and uses of amulets and talismans. Readers will also learn the magical properties of hundreds of symbols and objects commonly used as amulets, as well as how to create, empower, and use their own talismans for health and wellness in mind, body, and spirit.
