

Something Written in the State of Denmark: An Actors Year with the Royal Shakespeare Company

Following in the footsteps of Nick Asburys bestselling *Exit Pursued by a Badger*, actor and Royal Shakespeare Company alumnus Keith Osborn tells the story of the companys extraordinary 2008/9 season in Stratford and London, with much drama on and off stage. Keith appeared in Gregory Dorans acclaimed productions of *A Midsummer Nights Dream* and *Loves Labours Lost* and, of course, Dorans *Hamlet* with David Tennant in the title role. Keiths blog was followed by thousands of loyal readers, the book contains some new material covering the early parts of the season and a short account of the BBCs filming of *Hamlet* in the summer of 2009, rounded out with many rehearsal and production photos taken throughout the season.
