

Welcome to School Bulletin Board-in-a-Book

The goal of the bulletin board and the activities included in this book is to provide you with the materials you need to create a friendly and welcoming environment for your students during the first few days or weeks of the new school year. Inside are reproducibles and plenty of patterns to complete your bulletin board, as well as stationery, forms, bookmarks, a growth chart and a game. You can arrange the bulletin board pieces in any way you choose to instantly create an appealing, eye-catching display. One suggested arrangement is shown on the front cover.
