

Zephyrus: A Holiday in Brazil and on the River Plate (Classic Reprint)

Excerpt from Zephyrus: A Holiday in Brazil and on the River Plate I do not know that any apology is needed for publishing a new book about Brazil and the countries of the River Plate; for these lands are little known except to those who travel thither for business purposes. If some should think that in these pages I have dwelt unduly upon the economic side of life, I must plead that by profession I am a banker, and that there is nothing like leather.
