

2012 Trails of The Coeur d'Alene Unofficial Guidebook: Including the 300k Bitterroot Loop

This is the fifth edition of the Trail of the Coeur d'Alenes Unofficial Guidebook. New in this years guide is the inclusion of the entire Bitterroot Loop, a 300k network of trails through the Bitterroot Mountains. The loop connects two popular dedicated trails, the Trail of the Coeur dAlenes and the Route of the Hiawatha, with multi-use roads and a 12-mile stretch of state highway. Volunteers of the Friends of the Coeur dAlene Trails coordinate with the Railsto-Trails Conservancy for signage and other improvements. The Friends efforts enhance the riding pleasure of cyclist visitors from around the US and the world.
