

Lazy Bird

Frank, who got used to the name The Lazy Bird, likes to lie on the beach soaking his tootsies in the salt water while everything is taking care of for him. One summer he is going on a trip to Hawaii, and ends up with the biggest suitcase in the history of the entire flock. How will he fly to the island? Will he keep up with his friends? With what genius plans will he come up to make this trip? Thus starts his big adventure that changes his life. Like he used to say, It was a real turnover from the stinky feet to the bright head. Lazy Bird is a storybook with a compassionate message that every child can learn from. Its illustrations are vivid, bright, and compelling ?Apps4Moms.net?
