#1 Amazon Bestseller in Sports
2X Book of the Year Nominee (ForeWord Magazine)
Finally enthusiasts, armchair cyclists, and adventure widows can live the full experience. No sweat. No lube. Just laughs.
The rollicking, true story of two men rekindling an old friendship after twenty years. Foolishly, they choose to reconnect over a hometown tradition that just happens to be the worlds biggest bike ride: RAGBRAI. 500 miles of biking during the hottest week of the year - humidity 100%, bugs 1000% - seemed like the ideal way to get to know you again. Their plans are waylaid by a last-minute addition: an outrageous, mysterious sailor named Cheek. His presence is not only intrusive, but utterly disastrous. 2X Humor Book of the Year Winning Author??? Bestselling author of the Cruise Confidential series
