

# A Bibliography of Printed Items Relating to the City of Lincoln (Publications of the Lincoln Record Society)

This bibliography builds on material contained in CornsBibliotheca Lincolniensis, published in 1904, since which time the main contributions to the bibliographic coverage of the city have been commercial auction and booksellers lists, the Lincolnshire section of the regional lists formerly produced by the library association, and the East Midlands Bibliography. The bibliography is based on the collections of Lincoln Central Library.
