

Becoming an Art Teacher

This book introduces the student to the field of teaching, discusses theory and practice of Art Education, and synthesizes and prepares students to make the transition from student to Art teacher. It presents art education as an integration of philosophy, history, theory, and practice. Bates illustrates how to apply theory to practice as an art educator. Models, methods, and experiences are provided to enlighten, inspire, and amuse. BECOMING AN ART TEACHER is a refreshing approach to art methods.
