

The McCormicks of Dallas, Texas: Next Generation

In the sixties, the McCormicks had been through a lot. Joe McCormick Sr., suffered a nervous breakdown, but he is better and married to Margaret, his late wife Rosannas sister. His son and daughter, Joe and Kathleen, got close as lovers do, but they are fine now. Both John and Joe, are married with three children, and they have their in-laws: the Mannings, the Hughes, and their friends. Its now the seventies and the eighties. The kids grow up, find love and get married Some tragedies will happen, and as always the McCormick men protect their women at all costs, and they will not want this next generation to ever find out what went on with the family. So again, their lives are full of romance, travel and a lot of family secrets.
