

A Book for Shakespeare Plays and Pageants: A Treasury of Elizabethan and Shakespearean Detail for Producers, Stage Managers, Actors, Artists and Students (Classic Reprint)

Excerpt from A Book for Shakespeare Plays and Pageants: A Treasury of Elizabethan and Shakespearean Detail for Producers, Stage Managers, Actors, Artists and Students The book now presented is the result of the accumulations of the authors academic experience in the Elizabethan field. It is not designed primarily for any special year or occasion, but its natural relation to the Shakespeare Ter-Centenary now being celebrated indicates this as the appropriate occasion for its publication. My thanks are due to these authors and publishers who have courteously allowed me the use of illustrative or other material. I owe acknowledgments to Professor A. H. Thorndike and the Macmillan Company for permission to use, from Facts about Shakespeare, by A. H. Thorndike and W. A. Neilson, the chronological table of Shakespeares plays; to Sir Sidney Lee, his American publishers, the Macmillans, and the English, Smith, Elder & Company, for the use of several illustrations, especially for the rare portrait of the Earl of Southampton, which is the property of the Duke of Portland. To M. Jusserand and his publishers, G. P. Putnam Sons and Fisher Unwin, my thanks are due for several illustrations from The English Novel in the Time of Shakespeare. M. Jusserands permission is granted as an indirect and more than modest contribution to the Shakespeare Ter-Centenary.
