

# Classroom Management: A Resource Manual for Frontline Teachers (Scarecrow Education Book)

Appropriate classroom management is the base for an effective teaching/learning process. The practical help offered in this guidebook is based on experience and will provide philosophic and behavioral parameters that easily fit every classroom. For the first-year teacher, it offers assistance in handling discipline and behavioral problems with finesse—a skill not developed overnight. For the veteran educator, it provides structure for examining and re-evaluating their management techniques to improve their learning environment. A hands-on resource manual for new or experienced teachers, this book includes forms that may be photocopied and adapted for personal use—these classroom diagrams, lesson plans, and self-evaluation methods add to the usefulness of this text.
