

Special Education At Home: Out of the Box Learning for Out of the Box Learners

Making the decision to homeschool a child with special needs can be daunting. In this everyday look at providing a special education at home, Shawna shares practical wisdom and encouragement for parents homeschooling children with special needs. Written from the honest and sometimes raw perspective of a mom of two boys with special needs, this book includes specifics about how to accommodate learners based on their strengths, and a genuine look into the heart of a mother, trying to do the best she can for her children. A good read for any homeschooling parent. A must read for any parent on a special needs homeschooling journey.
