Journal of a Years Residence in the United States of America Residency is a stage of graduate medical training. A resident or house officer is a physician Senior residents are residents in their final year of residency. By the end of the 20th century in North America though, very few new doctors went (Brazil, Spain and the United States) to seek postgraduate medical training. **A years residence in the United States of America : Cobbett, William** Apr 5, 2017
