

Blindsided by the Walking Dead: Surviving the Streets to Slaying the Geeks

There are 34 brief but meaty chapters ... the last six will really sate the hunger of diehard Walking Dead fans. ~ Mekeisha Madden Toby, MSN Reviews On the streets of Atlanta, the fight to survive is a daily battle. From the drug-infested corners of one of the city's worst housing projects, to alleyways filled with ravenous zombies-- Blindsided by the Walking Dead examines one man's battle to overcome the violence, drugs, and crime of the hood; starting with a young IronE Singleton determined to succeed despite an abusive mother, an absent father, and the temptations of instant gratification inherent with the thug life. Football and Faith in God become IronE's allies in his quest to escape and help him reach for the lights of the University of Georgia's football field and theater stages. After years of struggle--failed businesses, small roles, and an ill-fated trip to Los Angeles--IronE snags his major breakthrough role, playing the kind of drug-dealing, gun-toting thug he would have become on the streets, in The Blind Side. When he is cast as T-Dog on AMC's international mega-hit The Walking Dead, IronE examines through art what humanity is about and what it means to truly survive against all odds. Alongside cast mates Michael Rooker, Norman Reedus, Jeffrey DeMunn, and Andrew Lincoln, IronE fought, gagged, and sweat his way into the hearts and minds of millions around the world.
