

# Sussex archaeological collections relating to the history and antiquities of the county Volume 11

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1859 Excerpt: ...and profession as themselves, then being at Ash,--as rebellious, wandering, and disobedient to his monastic superiors,--that he might be punished for his demerits, according to the rule of the said order. That they found with him a horse with saddle and bridle, a prayer-book, a girdle, and purse in which were (not 48., but) 4. 9/.: which chattels the Abbot of St. Radegunds forthwith sent and offered to the Abbot of Bayham, who refused to receive them. They say, however, that the said Abbot of Bayham did afterwards receive the horse, but the saddle and bridle, by reason of their age, had rotted and perished. The prayer-book had been given back to J. of Arundel upon the spot, for his use in celebrating divine service; but the girdle and purse, with the 4. Qd., they now hand into court, to be delivered to the Abbot of Bayhara.. The jury, being satisfied of the truth of this statement, find for Abbot William and his fellow-defendants; and the Abbot of Bayham is left, for his false claim, in misericordia, i.e., at the mercy of the court, who inflicted upon him, we may fairly suppose, exemplary costs. The dates of these three suits are nearly coincident 1312-13, two of them some ten years after the offences were alleged to have been committed (1302); whence we may infer, that the struggle for the abbacy had been going on all this time, and was not yet terminated. It will be observed that the Abbot of Bayham seems to ground the extrusion of Solomon de Wengham upon the authority of a Papal bull; and this Papal bull he affirms was stolen with other things from the person of John of Arundel. If this Papal bull had any real existence, then, as everything else was given back, we may

suspect that to obtain possession of the bull was the chief object of the Abbot of St...
