

Reflections on San Francisco Bay: A Kayakers Tall Tales

For a group of San Francisco Bay Area residents, Thursday nights are reserved for kayaking on the bay. Islands, bights, caves, and more . . . no corner of the bay and its history are left unexplored. While the tales in this volume chronicle only the paddles in 2010, they are part of a longer time flow, starting in 2000. Better than any travel guide on San Francisco Bay, these volumes capture the flavor of one of the worlds most renown bodies of water.
