

## Confessions of a Gay Male Escort 1: The Straight Guy

I had been in the gay escort business for five years, and I thought I'd seen everything. But this was the first time I had ever been asked to convert a straight guy. You have to understand, Veronica said. My client has been dreaming of this for ages. But he needs me to order him to take it up the ass. That way he's not responsible, and he can keep telling himself he's straight. If you agree to do this, he'll be your sex toy for the night. You won't have to look at him or talk to him, just fuck. And look intimidating while you do it. Maybe make him beg a little. Adult readers only! This 8,000 word story contains explicit gay sexual situations. All characters are 18 or older.
