

Democratic Education: What is it?

WHATS NEW AND IMPORTANT IN THIS BOOK: (1) A bottom-up reform plan for public education that puts students at the center of learning and makes them passionate learners. (2) A life-quality-Mission that animates the participation and cooperation of all constituents. (3) Students will consider, debate, learn and write about what makes a quality life for themselves and others during their entire 12, 16 or more years of schooling. (4) A new authority, freedom and dignity for students and teachers, and new responsibilities. (5) A description of an unlimited curriculum that enables students to learn anything they want that could improve the quality of their lives. It complements the core, academic curriculum. (6) Constant opportunities to learn negotiating skills that are essential to all good relationships and quality lives. (7) How children and young adults can manage their sexual needs and emotions in ways that enhance the quality of their lives and avoid behaviors that damage them. (8) The elimination of autocratic administrative and teaching practices that destroy student life quality and motivation. (9) How student autonomy is developed that is essential for quality lives and democratic citizenship. (10) Students will have a voice in public policy by interviewing and corresponding with important adults and publishing what they learn in books, videos and articles.
