

The Engaged Sociologist: Connecting the Classroom to the Community

Connecting students to their communities
This fully updated edition of *The Engaged Sociologist* carries the public sociology movement into the classroom and teaches students to think sociologically, to develop a sociological eye, and to use sociological tools to become effective participants in a democratic society. Students gain hands-on training in sociology while experiencing civic engagement within their own communities. *10% of the proceeds from this book will be donated to Free the Children.*
