

Success for All: A Comprehensive Educational Reform for Improving At-Risk Students in an Urban School in China (Paperback) - Common

This book provides a detailed account of an educational experiment in a middle school in Shanghai, China. The school, called Zhabei No. 8 Middle School (hereafter No. 8 School), is located in a run-down, lower working class district. Since the mid-1980s the school has experimented on an educational reform program called success education, aiming to help those at-risk students to be successful in school...
