

## The Raccoon (Miss Rhondas Readers Set TWO)

Beginning Reader Featuring Decodable Words and Fun, Child-Friendly Plots Rhonda Lucadamo, a certified AMI Montessori teacher, discovered in the classroom that children had the most success when first given realistic stories to read. So Rhonda penned some for her youngest readers. Each book contained phonetic words so children could sound out complete sentences. The childrens accomplishment was immediate! They laughed, asked questions and reacted to each story. But most importantly, they read. And then they picked up another book, and another, and another. Seven other books are available from Miss Rhondas Readers Set TWO.
