

The Call to Teach: Philosophy, Process, and Pragmatics of Social Work Education

This book focuses on improving the quality of teaching, concentrating on the development of practical strategies as well as the refinement of existing ones. It addresses the task of teaching in a manner that integrates conceptual knowledge, involving rational awareness and analytical thinking, with actual experiential processes. The book offers expert advice on boosting confidence and improving expertise in the conveyance and assimilation of social work knowledge, values, and skills. Council on Social Work Education We are a nonprofit national association representing individual members and graduate and undergraduate programs of professional social work education. Founded in 1952, this partnership of educational and professional institutions, social welfare agencies, and private citizens is recognized by the Council for Higher Education Accreditation as the sole accrediting agency for social work education in this country. CSWE Press is a niche publisher that addresses the needs of social work educators. Some of our areas of publishing specialty are -The philosophy, theory, and practice of teaching -The process and evaluation of learning -The organization and structure of social work education -Diversity in all forms in social work practice and education -Social work in multiple contexts
