The Independent Publisher INDIE GROUNDBREAKING BOOK for May 2016 Includes the SOUNDTRACK, Purgatory, which the band recorded in 1968. Get the book -- get the music! An epic story of show-biz dreams. Mike Foley It s this generation s American Graffiti it s Happy Days slammed into Resurrection Boulevard. Rick Marcelli Johnson s memory for the adventures we shared breaking into show business is seamless. Edward James Olmos Kids, This Is Rock N Roll: A Rockin and Rollin Memoir Made on the 1960s Sunset Strip in Hollywood Here is a story that is glamorous, inspiring, and gritty a marvelous fusion of the ups, downs, and in-betweens of life and music and passion in 1960s Hollywood, California, the place where dreams are made and chased and, sometimes, die. When Steven Rusty Johnson, Eddie Olmos, and Joey Zagarino met in high school in 1962, the sky was the limit and rock n roll stardom was a record deal away. These three friends forged a life-long friendship that would take them through triumph and tragedy, victory and defeat, success and failure all in the pursuit of reaching the rock n roll dream. This is not only the story of three dreamers, it is a true tale that shows that success and life is about taking it from the top, catching a good groove, and taking it one beat at a time. SOUNDTRACK AVAILABLE! (See inside for details.)
