

Engaging, Supporting and Assessing Learners: Within the Workplace (Train the Trainer Book 4)

This is the fourth guide in the series Train the Trainer. Each guide is designed to help those new to training by allowing them to quickly pick up knowledge and apply skills directly within the workplace. This fourth guide is concerned in supporting and encouraging learners to engage in the learning process so they can develop the knowledge base and performance skills required of their employer. The guide provides advice, guidance, examples and useful tools for a trainer, workplace mentor or manager within any business or industry to utilise.
