

THE WOMEN OF AFRICA 1538 BC - 1830 AD (African Worship and Women Book 2)

This book is the second book of three in the series, African Worship and Witchcraft. The books discuss Africa, her Ancestral beliefs, women and witchcraft. Whether man likes it or not it is his women that rule the continent! This manuscript describes the flow of womens control from Queen Cleopatra of Ancient Egypt of the North to the Swazi Princess General 1830. The women described are the Legends of Africa. Women of more recent history have not been included as they are not yet legend.
