

In My Backyard: Easy Reader 3

In My Backyard, Easy Reader 3, is the third out of 7 leveled readers for beginners.

The series is designed to help children learn how to read, starting at the most basic level of the single word (Level 1). This is a very simple book with 3-4 words and one picture for each page. There are 8 pages that show pretty illustrations of the little critters one can find in any backyard (butterfly, bee, etc). For children who have a solid understanding of phonics, they can start with this level..... Easy Reader 3. Each level (1-7) has progressively more difficult words and sentences. For example, Easy Reader 2 has two words with one picture per page, Easy Reader 3 has three to four words, and Easy Reader 7 has 7-9 words per picture per page. Key words in each level are repeated throughout the book for better practice. At end of the book there are many pages with quizzes, spelling activities, and matching games to add to the child's learning experience.
