

# Festivals, Games, and Amusements: Ancient and Modern (Classic Reprint)

Excerpt from Festivals, Games, and Amusements: Ancient and Modern

The subjects considered in this volume have been so thoroughly sifted by professed antiquaries, that when they were submitted to the present writer, he at once perceived the impossibility of illustrating them by any new facts, while he felt the difficulty of compressing within the narrow limits assigned to him the vast quantity of materials that had been accumulated by his predecessors. Compilation and selection were the principal tasks left to him; - by these means he has endeavoured to condense into one little volume the information that he found dispersed in many; and to present in as popular and pleasing a form as possible, what has been too often encumbered, in more erudite disquisitions, with learned lore and antiquarian pedantry. It is hoped that in thus pruning away the useless leaves, in order to render the fruit more evident and attractive, little has been sacrificed which, for general purposes, it would have been desirable to retain. In works of this nature, which profess to be little more than summaries and abridgments, it is difficult to hit the happy medium between meager analysis and the fulness of original inquiry.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
