

Math Test Prep That Matters! Grades 3-4: 100 Standards-Based Math Prompts That Develop Students Critical Thinking and Deepen Their Understanding of Key Math Concepts

Get students ready for standardized math tests with this collection of open-ended math activities. Each activity starts with a math-related picture or graphic. Students devise a math problem related to the picture then solve their own problem. This gives them insight into how math problems are formulated and helps teachers assess students level of understanding. A great way to build students math and test-taking confidence! For use with Grades 3-4.
