

## A-Z of Professional Ethics: Essential Ideas for the Caring Professions (Professional Keywords)

If you are looking for an accessible introduction to the essential concepts that define the field of professional ethics, then this is the book for you. Richard Hugman's *A-Z of Professional Ethics* offers a winning combination of breadth and concision, expertly organised to make usage intuitive and easy. Its simple A-Z structure will help you appreciate the architecture of ethics and give you a vocabulary for ethical debate. Clever cross-referencing allows you to find your own routes through the material as well as signposting interesting connections between different ideas. Unique to this book are its sensitivity to cross-cultural influences and its careful integration of different professional perspectives. These give it outstanding balance and coverage. A rich source of further references, it offers readers an invaluable guide to an increasingly extensive literature. Whatever your field of study or practice (social work, health care, or therapy), this book will prove an enduring source of clarity, insight and reflection.
