

Chapters 1-7: The Practice of Generalist Social Work, Third Edition (New Directions in Social Work)

This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three-course practice sequence. The text helps translate the guiding theoretical perspectives of social justice, human rights, and critical social construction into purposeful social work practice. Six unique cases, specially written for this Series, provide a learning by doing framework unavailable from any other social work publisher. Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching. Go to www.routledgesw.com to learn more. This custom edition includes the first seven chapters for instructors teaching the first semester of a two-semester generalist practice sequence, and is also available in e-book editions in a full range of digital formats.
