

Pain, Curiosity, and a Bear: The Americas

Comfortable job, nice house, girlfriend and career, and one summer that changed his life forever. Andrew Pain was following the same road many people do, but a few bad days at work forced him to accept that life is fleeting, and putting off dreams could mean never following them at all. So, he quit his job, sold most of what he owned, and with a stuffed bear named Blue and a 30 year old \$65 motorcycle named Curiosity, took off to see something of the world.
