

A Point of View-Un Punto de Vista- Volume 1 (A Point of View-Un Punto De Vista-Volume 1) (Spanish Edition)

This Anthology (Antología) is a bilingual instructional book of short stories in English-Spanish. It allows the reader an opportunity to read a sentence or phrase in English followed by its translation in Spanish or a sentence or phrase in Spanish preceded by its translation in English. The reader can also read only the English sentences indented to the left, or the Spanish sentences indented to the right, so in reality it is a three book book.. The stories are good for all ages and are good for students of middle or high school and college level as well as adults. .
