

Lancashire Folk-Lore: Illustrative of the Superstitious Beliefs and Practices, Local Customs and Usages of the People of the County Palatine (Classic Reprint)

Excerpt from Lancashire Folk-Lore: Illustrative of the Superstitious Beliefs and Practices, Local Customs and Usages of the People of the County Palatine. Folk-lore, though a term that will not be found in our standard dictionaries, from Johnson down to Webster, is nevertheless simply a modern combination of two genuine old English words - Folc, the folk, the people, the common people; and Lar, Laer, Lora, learning, doctrine, precept, law. In the earlier days of our English tongue, folk-land, folk-gemote, folk-right, &c., were terms in common use, and amongst this class of compound words our fore-elders had folc-lare, by which they denoted plain, simple teaching suited for the people, what we should now call popular instruction, and hence folk-lare also meant a sermon. Folk-Lore, in its present signification - and for its general acceptance we are largely indebted to the Editor of that valuable periodical Notes and Queries, - means the notions of the folk or people, from childhood upwards, especially their superstitious beliefs and practices, as these have been handed down from generation to generation, in popular tradition and tale, rhyme, proverb, or saying, and it is well termed Folk-Lore in contradistinction to book-lore or scholastic learning. It is the unlearned peoples inheritance of tradition from their ancestors, the modern reflection of ancient faith and usage. This Folk-Lore has not been wholly without record in our literature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page,

may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
