

Making Allies, Making Friends: A Curriculum for Making the Peace in Middle School

Designed for students in grades six to nine, this curriculum offers more than 30 innovative class sessions that address diversity (racial, ethnic, and sexual) and violence issues. Each session contains a warm-up exercise, theme information, value clarification, and an experience or activity. Journal writing, critical thinking about history textbooks, role-playing, storytelling, poetry/rap, photographs, illustrations, tables, and whole-school research projects are just some of the tools presented in this hands-on guide to defending against violence in middle school.
