

The Little Drop of Water Who Learned to Give Himself Away

Willis is a little drop of water who travels the world on ocean currents. Dive with him to the depths as he meets many interesting creatures and learns from them the valuable lessons of life. Then soar with him to the clouds as he evaporates, and later gives himself back to the earth as a raindrop. Children will grow spiritually as they delight in these adventures and life lessons with powerful spiritual parallels as they read or listen.
