

The College of William and Mary in the Civil War

Americas second oldest higher education institution experienced the full violence of the Civil War, with a wartime destiny of destruction compounded by its strategic location in Virginias Tidewater region between Union and Confederate lines. This book describes the fate of the College and also explores in-depth the war service of the Colleges students, faculty, and alumni, ranging from little-known individuals to historically prominent figures such as Winfield Scott, John Tyler, and John J. Crittenden. The Colleges many contributions to the Civil War and its role in shaping pre- and post-war higher education in the South are fully revealed.
